CRIMSON TW: Industrial Strength Truck Wash

GENERAL DESCRIPTION: Crimson TW is a highly alkaline, non-phosphated aqueous cleaner that is biodegradable. Crimson TW is designed for heavy duty applications for removal of the toughest soils. Safe to use on all surfaces. Designed for hand and brush washing on automatic and hand truck washes with many other applications from all-purpose cleaning to removal of grease, oils, and dirt. Protective equipment should be worn when using this product including rubber gloves and safety glasses or goggles. A rubber rain type suit should also be worn to prevent clothing from possible contamination.

APPLICATIONS:

- ◆ Hand Truck Washing
- ◆ Truck bucket & brush wash
- ◆ Spray & Power washes
- ◆ Wand/ Self-Serve Washes

Typical Usage Parameters

Description:	Mild Alkaline Liquid
Spray Systems:	Cut to ~100:1
Hand Wash:	Cut to ~35:1
Operating Temp:	Ambient
Ferrous Metals:	Yes
Aluminum Alloys:	Yes
Glass:	Yes
Plastics:	Yes

Physical Properties

pH, concentrate:	13.3
Rinse-ability:	Excellent
Solubility in water:	Complete
Biodegradable:	Yes
Chelates:	Yes
Corrosive:	Yes
Phosphates:	No
Odor:	No

Availability: 5-gallon and 55-gallon containers; 300 gallon tote-bins and bulk tankers.

Storage: Keep out of direct sunlight. Keep from freezing. Store between 40-120 F.
